## SUMMARY

Aspiring Computer Science Engineer with strong foundational knowledge in software engineering, front-end development. Skilled in Java, JavaScript, and modern web technologies. Passionate about creating clean and responsive digital experiences and solving complex problems through code.

## EDUCATION

Rajiv Gandhi Technical University, Bhopal, M.P.

B.Tech in Computer Science Engineering | September, 2023 - June, 2027

CGPA: 8.0

Corolla Public School, Multai, Betul M.P

- Secondary School Certificate (10th Grade), 91%
- Higher Secondary Certificate (12th Grade), 78%

Relevant Coursework:

Software Engineering • Object Oriented Programming • Language Labs & Seminars • Data Structures • Front-End • Figma • Blender • Distributed System • Linux • AWS(EC2, S3) • CI/CD (GitHub Actions)

## SKILLS

- Languages: Java, JavaScript, React, Next JS, MongoDB, Express JS, SQL
- Tools: PowerPoint, Figma, Blender
- Other: Linux, Virtualization, HTML, CSS, Tailwind CSS, Docker, Git & GitHub
- Cloud & system skill: Cloud Computing Fundamentals, Virtualization, Distributed Systems Basics

## PROJECTS

Project Portfolio (<https://portfolio-three-liart-km2qml0ki8.vercel.app/>)

- A responsive personal portfolio website built using React, Next JS, tailwind CSS, showcasing projects, skills, and contact information with a clean, modern design

Front-End Project- college complaints & management system(<https://collegecomplaint-chi.vercel.app/>)

- Built a web-based system for students to register and track college complaints online. Admins can manage, assign, and resolve complaints through a secure dashboard, improving transparency and efficiency.

## CERTIFICATION

- Completed **Python 1 & Python 2 certifications**, gaining strong fundamentals in programming, data handling, and problem-solving using Python.
- **Cloud Computing and Distributed Systems** – NPTEL (IIT Course)
- **Full stack (MERN)** certification – Sheryians coding school

## ACHIEVEMENTS

- Achieved a CGPA of 8.7 in the 1st semester
- Participated in Two Days National Level Innovation Hackathon - SAMADHAN 1.0 (held at SISTec-GN)
- Secure first prize in digital poster making
